By underground

Take the subway (line A) to the last stop "Basso Cambo", then catch a bus on line number 8, check that the direction at the front of the bus is "Cit  scolaire Rive-gauche", then get off at stop "METEO-FRANCE". The conference center is then on your left, you cannot miss it.

Here is the bus timetable. <https://www.tisseo.fr/sites/default/files/ligne8.html> or <http://bit.ly/1L13s1M> There is a departure from the subway terminal every 10 minutes on rush hour.

A subway+bus ticket costs around 1,60  . From "Gare Matabiau" to M t o-France it takes about 35 minutes. *Do not buy a week pass (or any other pass) when arriving in Toulouse, a free transport pass (offered by the city) will be given to you on the first day of the conference.* Bus and metro tickets are to be bought in metro stations or tramways stops (automates) or in buses (driver, more expensive) and to be punched each time you enter a bus or metro.
